Hi Vicki and Dahnish, do either of you have access to the IRIS interagency email address Ex. 6 Personal Privacy (PP) I emailed Gina about the missing attachment, but I am not sure how often she is checking her email while she is out of office and it is very important that I have access to NASA's comments so I can prep for the interagency meeting early next week.

Hi Gina, was there an attachment for NASA's comments or were they included in the body of the email?
